New Bicoll homepage

Modern design and navigation improve the customer experience

Planegg / Martinsried (Germany) – December, 11th, 2017 – Today, Bicoll Group has launched a newly designed and now, mobile optimized, company website at www.bicoll-group.com. In addition to our technology and products, publications, event and latest news, it features convenient links to our LinkedIn and Twitter presence.

"The new navigation of the homepage as well as additional information about our workflow support our potential clients in looking up the background information. Another new feature is the opportunity to sign up for a newsletter – an easy way to stay informed about the latest updates and developments here at Bicoll", said Dr. Kai Lamottke, Managing Director of Bicoll GmbH.

About Bicoll

Bicoll is a biopharmaceutical company, offering pre-clinical support in the area of Drug Discovery from Natural Products (Profiles™) and Medicinal Chemistry. Dedicated to the discovery and optimization of the highest quality lead compounds, Bicoll provides an efficient, multi-disciplinary approach to drug discovery. With outstanding expertise in high tech natural product chemistry and validated experience in medicinal chemistry, Bicoll increases quality and quantity of the drug discovery pipeline of its partner's candidates portfolio.

The Bicoll Group provides its services to a number of international clients of various fields of interest, e.g. pharmaceutical and agrochemical industry. Bicoll comprises two legal entities: Bicoll GmbH in Planegg / Martinsried, Germany and its 100% daughter company Bicoll Biotechnology (Shanghai) Co. Ltd., P.R. China. Technology development, cooperation management and marketing are functions in Martinsried, while facilities for research and development are located in Shanghai. Currently Bicoll employs 40 people at both locations combined. More at www.bicoll-group.com and on our [LinkedIn](#) page.
